**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow as much competition as possible in the Internet and broadband. No competition means higher prices and terrible customer service. Consumers need options.

I co own a small business and Internet options are critical to our business. we sell applications over the top of internet providers service.
